A two-panel comic strip. The top panel shows a pig in a white tank top and blue jeans talking to a fox in a green tank top and dark pants. They are standing in a farmyard with a wooden fence, a barn, and a sign that says 'VE'. The pig is holding a small white object. The fox has his arms crossed. The bottom panel is a close-up of the fox's face as he laughs. He is holding a small white object in his hand. A sign in the foreground reads 'NO BOARS ALLOWED!'.

you know what
would make that
sign more effective?

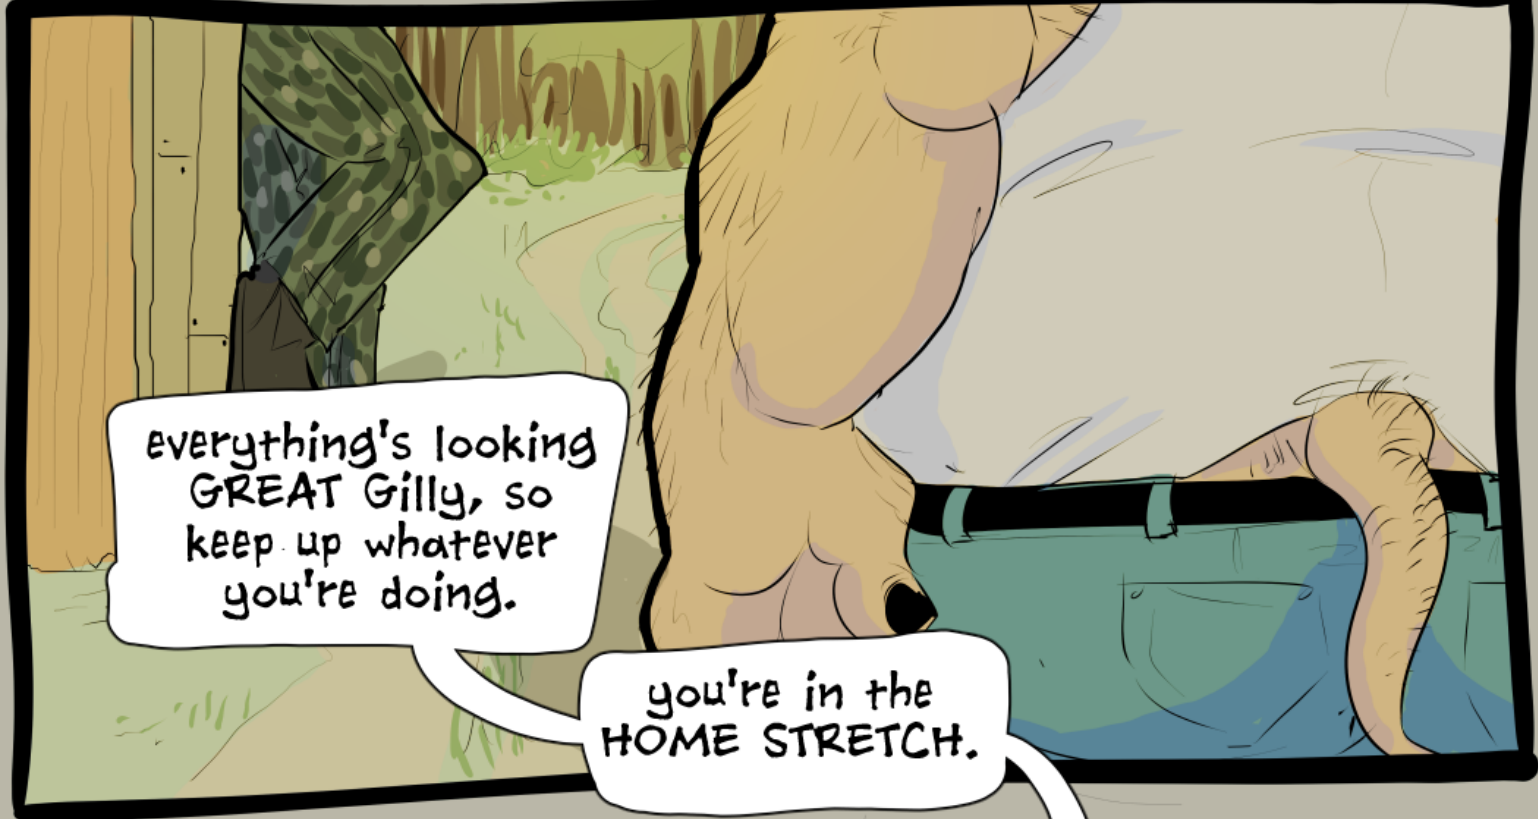

what?

your head on a
post next to it.

haha

she knows I was a stud Before, so she knows that I know to be careful.

top drawer, please, Bess.

I have this awful huamn spray-on scent for when I have to go near the house.

I thought you were just naturally repellent.

ha, ha.

ANYway, between that and the mask, there haven't been any INCIDENTS.

besides Bess, you mean.

nonono haha!

Bess and I haven't--

she, uh--!

Bess, is it okay to...?

it's ok.

my parents were made by two different, uh...

companies.

right. I might be a mule.

my mother never went into heat again after me.

none of my littermates survived.

my parents shouldn't have been able to have me at all, 'cause the companies didn't want their stock crossbreeding with rival companies.

sorry I joked. I didn't know.

it's okay.

Abe says being around other sows in heat might help me, though!

DOES he?

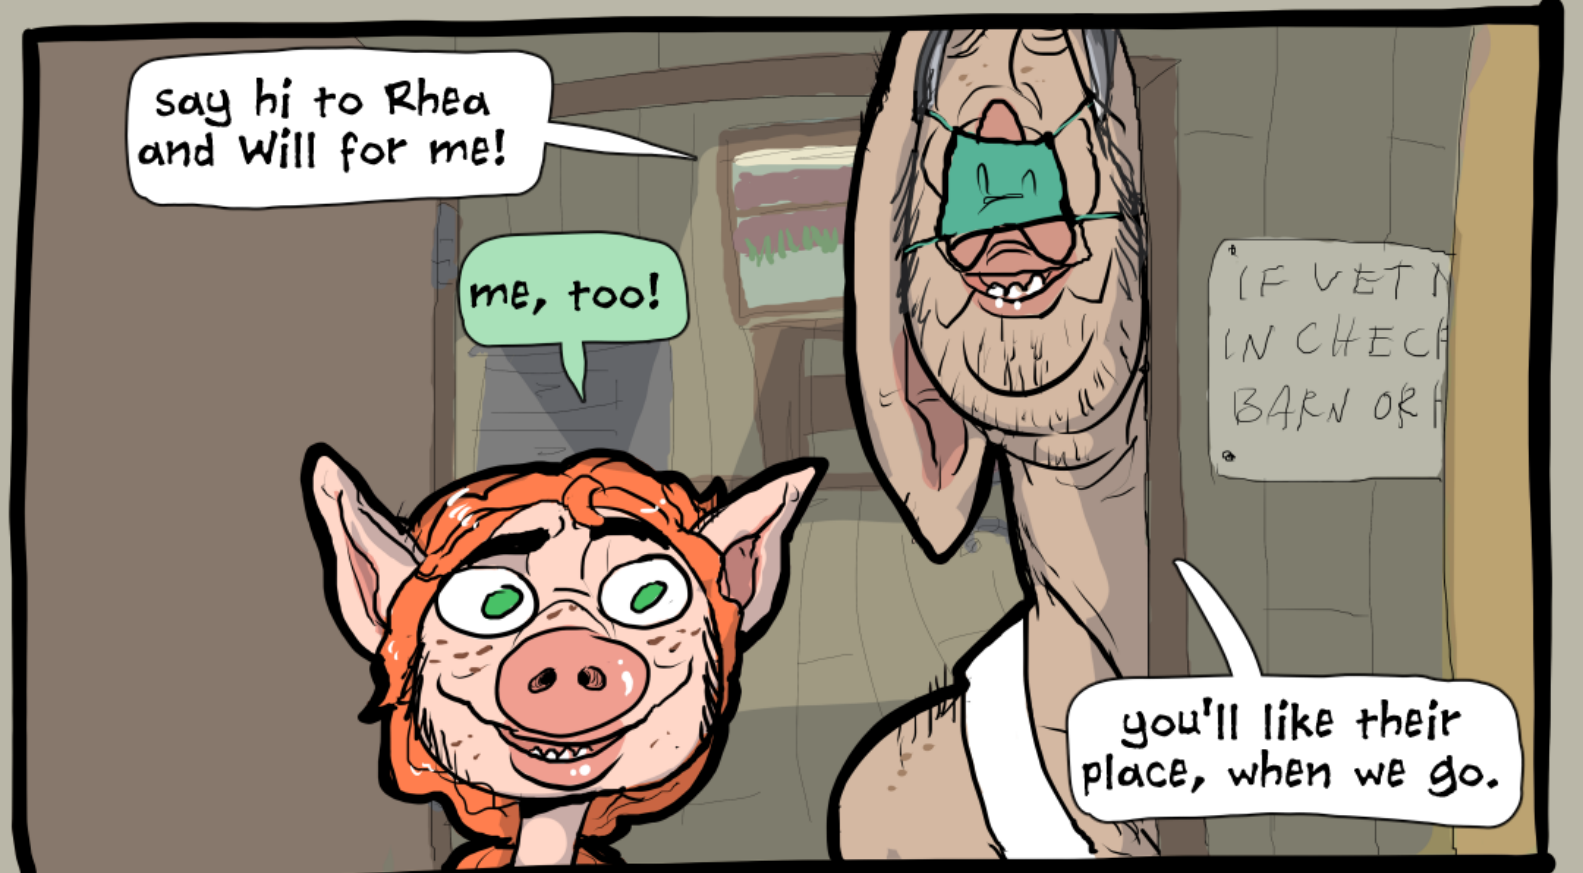

shut up, she wanted to know.

sure. well, I better get going before I go into labor.

SEE you in a month.

bye!

travel safe!

say hi to Rhea
and Will for me!
